Assistant Professor, Princeton University, September 1977-June 1978
Associate Professor, Princeton University, September 1978-June 1980
Professor, Princeton University, July 1980-June 1981
Professor, University of California, Santa Barbara, November 1980-December 1988
Member, Institute for Theoretical Physics, University of California, Santa Barbara, November 1980-December 1988
Visiting Professor, Harvard University, September 1987-June 1988
Professor, School of Natural Sciences, The Institute for Advanced Study, Princeton, NJ, January 1989-August 2000
Professor, Massachusetts Institute of Technology, September 2000-
Visiting Professor, NORDITA, Fall 2007 -
Visiting Professor, Oxford University, Spring 2008
Distinguished Visiting Professor, Arizona State University, Winter 2010-2016
Chief Scientist, Wilczek Quantum Center, Shanghai Jiao Tong University, Shanghai, China, October 2014
Professor of Physics, Stockholm University, May 2016
Distinguished Professor, Arizona State University, July 2016 –
Founding Director of the Tsung-Dao Lee Institute at the Shanghai Jiao Tong University in Shanghai, China, Sept. 2017.
Chief Scientist of the Tsung-Dao Lee Institute at the Shanghai Jiao Tong University in Shanghai, China, 2022.

Awards, Honorary Societies:

1967	Westinghouse Science Talent Search, 4th Prize
1967-1970	University Scholar, University of Chicago
1969	Phi Beta Kappa
1973	Ettore Majorana “Best Student” Prize
1975-1977	AP Sloan Foundation Fellow
July 1982-1987	John & Catherine MacArthur Foundation Fellow
April 1986	American Physical Society J.J. Sakurai Prize
May 1990-	Member, U. S. National Academy of Sciences
April 1993-	Member, American Academy of Arts and Sciences
Aug. 1994	Awarded the 1994 Dirac Medal and Prize by the International Centre for Theoretical Physics (Trieste, Italy)
May 2000-	Foreign Member, Royal Netherlands Academy of Arts and Sciences

Frank A. Wilczek

Dec. 2000-	Fellow, American Association for Advancement of Science
May 2001	Honorary Doctorate, Universite de Montreal
April 2002	Michelson-Morley Prize, Case Western Reserve University
Oct. 2002	Lorentz Medal, Royal Netherlands Academy of Arts and Science
April 2003	Lilienfeld Prize, American Physical Society
July 2003	High Energy Physics Prize, European Physical Society
July 2003	Faculty of Mathematics and Physics Commemorative Medal, Charles University, Prague
Dec. 2004	Nobel Prize in Physics, Royal Swedish Academy of Sciences, Stockholm, Sweden
Jan. 2005	King Faisal International Prize for Science, King Faisal Foundation
April 2005	Member, American Philosophical Society, Philadelphia
June 2005	Golden Plate Award, Academy of Achievement, New York
April 2007	Honorary Doctorate, Clark University
Aug. 2007	Elected Fellow, Polish Academy of Arts and Sciences
May 2008	Honorary Doctorate, Maria Curie-Sklodowska University
Aug. 2008	Honorary Doctorate, The Ohio State University
Nov. 2008	Julius Wess Award (Inaugural), Karlsruhe Institute of Technology
Dec. 2008	Casimir Funk Award
April 2012	The Kosciuszko Medal, Kosciuszko Foundation
Sept. 2012	Honorary Doctorate, Jagiellonian University, Krakow
Jan. 2013	Honorary Doctorate, Uppsala University
Oct. 2013	Honorary Doctorate, Gustavus Adolphus College
Dec. 2013	Oskar Klein Medal, Stockholm University
June 2014	First Prize Award from Gravity Research Foundation "From B-modes to quantum gravity and unification of forces," (with Lawrence Krauss)
Oct. 2015	Doctor Honoris Causa, Rzeszow University, Podkarpacie region, Poland

Frank A. Wilczek

Sept. 2016	Richard E. Prange Prize, University of Maryland
Nov. 2017	Society for design and process science transformative achievement award, Birmingham, AL
Dec. 2019	Award from the Knut and Alice Wallenberg Foundation founding WINQ (Wallenberg Initiative in Networks and Quantum Information)
May 2020	First Prize Award from Gravity Research Foundation – “The Noise of Gravitons” (with Maulik Parikh, George Zahariade)
Nov. 2021	Elected Foreign Member, Chinese Academy of Sciences
March 2022	First Recipient of Steven Weinberg Medal, U. Texas Austin
May 2022	Templeton Prize
Oct. 2022	Co - Principal Investigator for Knut and Alice Wallenberg Foundation Project: Tuning Into Dark Matter (5 years, 27.5 MSEK)
Jan 2016-Dec.2025	VR Grant from Swedish Research Council
Sept 2017-Aug.2022	ERC Axion Advanced Grant

Other Recognition:

Dec. 1984	Selected one of America’s 100 brightest scientists under 40
Dec. 1984	Esquire Register; featured in article p. 62, December 1984 issue
June 1998	Elected to University of Chicago Board of Trustees
April 2003	“The World’s Numerical Recipe” selected to be included in <i>Best American Science Writing 2003</i> ed. O. Sacks (Ecco/HarperCollins)
April 2005	“Whence the Force of $F=ma$?” selected to be included in <i>Best American Science Writing 2005</i> ed. A Lightman (Ecco/HarperCollins)
Nov. 2014	Wilczek Quantum Center established at ZJUT, Hangzhou, China
Jan. 2016 - ??	Monthly column “Wilczek’s Universe” at Wall Street Journal
Sept.2016	Awarded VR Grant from Swedish Research Council
March 2017	West Lake Friendship Award – City of Hangzhou
April 2017	Awarded ERC Advanced Grant “Axion”
April 2017	Lee Kong Chian Distinguished Professor under the IAS’s Lee Kong Chian Endowment Fund.
Jan 2022-	Adjunct Researcher - CECs, Centro de Estudios Científicos (Center for Scientific Studies)
